DAY SPA 5 YEAR "NO QUESTIONS ASKED" – FACTORY WARRANTY

ThermaSol will repair the specific failure on your ThermaSol DAY SPA Series Steam generator manufactured after February 1, 2006 at its factory for 5 years. All expenses required to remove and send the unit to the factory, return and reinstall the unit is the responsibility of the owner.

EXCLUSION

- I. This service warranty does not cover: parts or product damaged in shipment; manufacturing defects observable prior to installation; parts or product damaged during installation; malfunction of equipment due to improper installation or installation not according to manufacturer specifications and/or installation instructions; use of cleaning solution not supplied by, or specifically approved by ThermaSol (Please refer to ThermaSol operating instruction manual for further information); parts or product installed in a manner that does not permit proper access to service; damages to plated parts and accessories due to chemical corrosion or reaction; cosmetic damage; normal periodic cleaning and care or damage caused by not following manufacturer's cleaning instructions; repairs caused by accident; neglect, misuse, vandalism, fire, lightning, earthquake, or any other peril; unauthorized and/or improper and modification or damage to structure. Any repair or installation modification that is subject to the above exclusion shall be paid by the Customer at the current labor and material charges in effect at the time.
- II. ThermaSol will exercise reasonable efforts in rendering service under this warranty, but shall not be liable for any damage arising out of delays. This warranty only covers the repair and/or replacement as specified by the warranty.
- III. This warranty gives you specific legal rights and you may also have other rights which may vary from state to state. Determination of rights under this warranty is in accordance with the laws in the state of California. Any dispute under the warranty must be submitted and resolved by arbitration in California.
- IV. ThermaSol does not guarantee that a local service person will be available. Unit may have to be removed and reinstalled at owner's expense. It is the responsibility of the buyer to file a claim with the carrier/carriers for any product that has shipping damage to or from ThermaSol. An EVA (Evaluation Number) must be obtained from the factory and used on any correspondence or packages sent to the factory.
ThermaSol, 2255 Union Place, Simi Valley, CA 93065, Phone (800) 776-0711

TERMINATION

This warranty will be terminated by ThermaSol for the following reasons: Improper installation or use; service to equipment by unauthorized personnel; installation that does not permit proper access for service; non-payment of repairs not covered under warranty; **non-remittance of completed warranty card**. Modification to unit not authorized by ThermaSol; use of non-ThermaSol repair parts.
