

100% Natural Infrared
Natural producing mid and far infrared.

25X Deeper Penetration
Than carbon heaters. Achieve ultimate therapy with every use.

Extremely fast warm up.
Get hot fast with Spectrum Plus™ tuning technology.

Low EMF Certification

Dual Micron:
2 infrared wavelengths

3rd Party Tested

360° Full Circle Heat

Highest Watt Density making heaters reach 350+ DEGREES

SPECIFICATIONS

Wattage

250w (120v)
300w (120v)
350w (240v)
350w (208v)

EMI Radiation

Ultra-Low

Emissivity

.95%

Reflector Material

Stainless Steel

Warranty

Unlimited Lifetime

Micron Output

6-14μ (dual)

Directional

360°

Case Material

Steel
